## VACANCY CIRCULAR:

### TECHNICAL EDUCATION AND SCHOOL FOOTBALL DEVELOPMENT MANAGER

FKF is recruiting an experienced football technician to lead coach education, CAF licensing programs, and continuous professional development as part of a strategic modernization of coaching across Kenya.

**Job Title:** Technical Education, Coaching & School Football Development Programs Manager

**Department:** Football Development Department

**Reporting To:** Football Development Director

**Duty Station:** FKF Headquarters, Nairobi

#### Key Responsibilities:

- Manage FKF Basic Introduction course, CAF D, C, B, and A license courses nationally.
- Coordinate Continuous Professional Development (CPD) workshops and seminars
- Develop coaching syllabus and manuals in alignment with the National Playing Philosophy
- Embed sports science, medical, and performance analysis in coach training
- Maintain the National Coaching Database and monitor quality benchmarks
- Align school coaching programs with FKF-KSSSA-MoE collaboration frameworks

#### Minimum Requirements:

- Training in Sports Education, Coaching, or related field
- Minimum 3 years of experience in a technical lead position in any football organization
- Proven leadership in technical education and syllabus development
- Proven success both on and off the pitch in football
- Familiarity with sports science, video analysis, and e-learning platforms

#### Desirable:

- Experience working as a Technical Director, Sporting Director with academies, school systems and educational institutions
- Ability to align with CAF/FIFA education reforms and compliance systems
- Certification in sports medicine or performance analysis is an added advantage

Application Guidelines:

Qualified candidates are invited to submit:

- A cover letter detailing their motivation and suitability
- Updated CV (with referees)
- Copies of academic and professional certificates

Deadline: *5 August 2025*
